You are cordially invited to attend the 72nd Annual Convention and Retreat, recently re-named "Members Summit", of the Automobile Dealers of Indiana, Inc. (ADAI), Indianapolis Automobile Trade Association (IATA) and Motorcycle Dealers Association of Indiana (MDAI) to be held in French Lick, Indiana. You will be staying in the newly renovated and reopened, historic West Baden Springs Hotel located adjacent to the French Lick Springs Resort & Casino where some of our scheduled events will be held. West Baden has been recently named one of the top ten small resorts in the United States. For ADAI/IATA members, this is a '1 tank' drive and for our MDAI members or motorcycle enthusiasts, it's a chance to hop on your bike for an early summer ride through the beautiful southern hills of Indiana.

We have deviated from our usual schedule hoping to make this a most informative, exciting and enjoyable experience. We have shortened our program, added a business meeting with a keynote speaker, breakout sessions covering up-to-the-minute important business topics and a full sit-down dinner complete with a popular celebrity motivational speaker. Our group will be the first to golf on the newly completed Pete Dye Golf Course set atop the rolling hills behind the hotel property. We think you'll find our 2009 ADAI/IATA/MDAI Annual Members Summit an experience well worth the drive! Pricing for the registration fees, dinner and hotel rooms are included with this invitation.

Come join us at the 72nd Annual ADAI/IATA/MDAI Members Summit in historic West Baden

There was a time when Indiana's West Baden Springs hotel was called the "Eighth Wonder of the World" and it's easy to see why.

West Baden, with its formal gardens, statuary, fountain and gazebo, reflects the turn-of-the-century elegance for which it was once known. Built in less than a year, the hotel was famed for its free standing dome. It was the world's largest, and that record would hold for another 60 years until the Astrodome was built in Houston.

The rotunda, with 200 feet of mosaic floor tiles (original to the hotel built in 1902), is breathtakingly magnificent. The large expanse is filled with an immense tile fireplace said to be worth more than \$1 million, potted palms and Victorian-era furniture reproductions. In the center of the 100-foot-high dome is a pendant chandelier which reflects prisms of light, creating an extraordinary light show at night.

Seemingly no detail at West Baden Resort is too small. The luxuries include king-sized beds with high thread count, white-on-white-striped Egyptian cotton sheets and special furniture with carvings of the resort made by an Indiana furniture company.

A free shuttle runs every 15 minutes between French Lick and West Baden, and guests can use the facilities of either place.
