**IMPORTANT NEWS ABOUT YOUR DUES:** "Contributions or gifts to the Automobile Dealers Association of Indiana, Inc., are not tax deductible as charitable contributions. However, they may be tax deductible as ordinary and necessary business expenses." *Federal legislation states the amount of dues that businesses pay to trade associations may no longer be 100% deductible and that if any part of your dues is used to pay for lobbying, that part is not deductible from income taxes. ADAI estimates that seventy percent (70%) of your annual ADAI dues are related to lobbying expenses, which are non-deductible. For additional information, please contact your tax advisor.*
